for kids**

What is "Jichikai"?

Jichikai is one of the most basic units of town-association, organized by residents of the community in the neighborhood area. "Jichikai" holds various of recreational activities for the residents, therefore they can become familiar with each other and build the community together. Please feel free to join, anyone and everyone are welcome.

We can make our community safe and more secured, together.

Join us!

Events for Recreation

“Jichikai” holds local seasonal events for recreation, such as Summer Festival, Athletic meet, Pounding Rice Cake Party, and so on. You can have an enjoyable time with your neighborhood.

Clean-up Activities

“Jichikai” supervises garbage collection points, and makes parks clean and comfortable.

Information Service

“Jichikai” provides you the local information related to daily lives and distribute any announcement and notices from the city and schools, by the circular notices “Kairanbann” which will be passed along from house to house, and will update Bulletin boards.

For a safe & secured community

“Jichikai” holds many activities that enable you to participate together and to be noticed not as a stranger in your neighborhood. To get involved in the area, it'll expand your network and circle of friends regardless of age. Join us! We can build a safe and secured community together.

Town Safety

“Jichikai” holds anticrime patrols for town safety, and confirms the safety of the children's school route (monitoring the school children as they go to and from schools safely).

In case of Emergency

When an unforeseen disaster strikes, the people in your community are the most reliable member in the initial motion. Neighborhood is the one who could help you. We can help each other till the administrative rescue starts.

For your Safety

“Jichikai” participate the Disaster preparedness drills which is organized by the city.

For your Benefits

Information Service

“Jichikai” provides you a local news by passing around the Circular notices “Kairanbann”, which will share information about seasonal or recreational events in your neighborhood, and newsletters and other official notices by Ibaraki-City. Join “Jichikai”, and you will (can) get the better access to the latest and useful information for your daily lives (more easily).

In case of Emergency

“Jichikai” holds a several activities to build a better community based on the neighborhood, such as disaster preparedness drills, safety patrols, traffic safety activities for school kids, and watching over elderly. These activities lead the neighborhood to help each other especially in case of emergency. The Northern Osaka Earthquake hit us on 18 June 2018. Around that time, volunteers from the neighborhoods played a big role as operating the evacuation shelters, distributing any announcement and notices from the city. “Jichikai” is the closest organization in your neighborhood. If you feel that you're not secured, less-information and alone, to be a member of “Jichikai” might be one of the solutions.

**Please join your neighborhood town council “Jichikai”,
and make your life and community safe and more secured.**
